The White House clothing store is constantly in receipt of new goods. Their stock is never allowed to run down.

J. S. Kaneen, of Virginia, was in town yesterday, on his way to the mountains for a few days sojourn among the pines.

There are fourteen prisoners in the county jail; two of them for felonies, whose cases are now being investigated by the Grand Jury.

Geo. Becker's Granite saloon is the place to get Pacific brewery beer, as well as other good things in the line of wines, liquors and cigars.

E. Meyer's yesterday received a new stock of imported and domestic cigars, tobaccos etc. For the very best of articles in his line give him a call.

Hon. M. D. Foley, who was reported in these columns as preparing to go East on a visit, has postponed the journey indefinitely, owing to business matters which require his presence in Eureka.

John McCauslin, of Virginia, was brought down and delivered to the Asylum authorities day before yesterday. His case is a mild one and he will not be at the Asylum any great length of time.

## Gene to Oregon.

Ed. Ronnda, who has had charge of the lodging department at Jake Becker's for the last seven years, left yesterday morning for Oregon to become an honest tiller of the soil. Ed. has been industrious and saved his earnings for a number of years and has invested it in an Oregon farm on which he expects to spend the remainder of his days. May his life be spared to enjoy the luxuries of his new home for many years.

## Failed to Appear.

The scholars at the North Glendale school had an unexpected picnic all to themselves Tuesday. Tuesday was the day appointed for opening the school and the scholars assembled on time but the teacher failed to put in an appearance, and the little fellows took advantage of the situation to have a picnic of their own. The teacher is supposed to have been unavoidably detained and will be on hand to-day.

## LIMESTONE DISTRICT.

## Encouraging News From This New District.

The Silver State says very favorable reports are received from Limestone District, which is a new camp situated south of Beowawe. A Philadelphia company which recently acquired interests in the district have let a contract to sink a shaft 100 feet deep on an extension of the Limestone, No. 1, which is owned principally by railroad men. The original location on the Limestone lead has been prospected to a depth of 100 feet by a shaft. The lead shows ten inches of galena ore that assays over \$100 to the ton in silver and carries 60 per cent. of lead from the sagebrush roots down. In sinking the shaft some 25 tons of ore was extracted that will pay the expenses incurred in prospecting the mine. The company continues at work steadily, and the Trustees have ordered the shaft sunk another hundred feet. Limestone District adjoins Bullion, where a new ten-stamp mill and smelters are being erected.

## Nevada Grapes.

Frank Payne left at the JOURNAL office yesterday a sample of grapes grown in his garden on West street. He has seven varieties of Eastern grapes now bearing, besides two varieties of early grapes, the fruit of which is now gone. Every vine produced a full crop, and the flavor is vastly superior to the California grape, or the same variety grown in the East. The California grape is as insipid as the Eastern grape is tart, while the same varieties grown in this climate and soil, is a happy medium between the two. Mr. Paynes vines were planted three and four years ago. Last year five varieties produced full crops and this year all were loaded with fruit, as much as the vines could bear.

## District Courts.

Little business was transacted in the District Court yesterday further than to empanel a Grand Jury. The following gentlemen were selected from the panel to act as Grand Jurors: John Lee, J. K. Everett, A. C. Neal, H. L. Fish, Jerry Schooling, E. C. Sessions, H. M. Frost, D. H. Lodge, G. S. Smith, A. Banta, A. A. Longley, Wm. Merrill, J. G. Becker, Granville Dodge, John Wilson, I. Fredrick and Wm. McPherson. H. L. Fish was appointed Foreman.

## The Pine Nut Crop a Failure.

The Pinutes who went south two or three weeks ago to the nut pine forests to harvest the nut crop have returned despondent. They say "Resapatch'em no plant." They will now have to depend on rabbits and what they can get from the pale faces to keep them from starving during the next winter. So says the Winnemucca Silver State.

## School Police.

N. J. Roff, Janitor of the public school has been appointed Deputy Constable, which enables him to more effectually prevent any unlawful conduct around the school premises, either on the part of the scholars or outside intruders. This is a good move and it places Mr. Roff in a position to promptly arrest any willful disturbers.

## Captain of the Nevada Team.

Colonel Ed. Boyle has been elected Captain of the Nevada team for the coming inter State match on the 17th instant. The Colonel is an expert in the rules and regulations pertaining to shooting matches, and will make an excellent "Captain."

## A Plethoric Jail.

It must be that Oregon is becoming a lively country. In the Multnomah county jail there are sixty prisoners, under charges of felony, awaiting the action of the Grand Jury, and twenty seven others who are serving out terms for minor offenses.

## A Belligerent Pet.

Spider's pet deer, which is permitted to roam at will in the Lake House yard, and is usually as tame and gentle as a kitten, became belligerent yesterday for some cause and attacked a lady in the yard, and bruised her arms and face considerably before assistance reached her.

## Gene to the Lake.

Assessor Stoddard, Mr. Knowles, of the firm of Knowles & Bainbridge, Dick Smith and his brother, went to Pyramid yesterday on a fishing expedition. About three medium sized fish will satisfy this office.

A Chicago Merchant's Experience. After I had become almost skin and bone, with neither strength, appetite nor ambition left, and the doctor couldn't help me, two bottles of Parker's Ginger Tonic cured me completely. M. B. Westcott, Lamp Mfr., Chicago.

## Advice to Mothers.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of Mrs. Winslow's Soothing Syrup for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhoea, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. Mrs. Winslow's Soothing Syrup for Children Teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle. feb. 21-sw-lyr

Ah! you have a headache! Why don't you try Ayer's Pills? They relieve the stomach, restore the digestive organs to healthy action, remove the obstructions that depress nerves and brain, and thus cure your headache permanently.

The most healthy and popular drink of the season is the ice cold soda water sparkling with purest gas and flavored with true, delicious fruit syrups, to be had only at Queen's soda fountain.

A full lot of Diamond Dyes, ten cents a package, just received at Osburn & Shoemakers.

HALL'S VEGETABLE  
SICILIAN  
Hair Renewer.

Seldom does a popular remedy win such a strong hold upon the public confidence as has HALL'S HAIR RENEWER. The cases in which it has accomplished a complete restoration of color to the hair, and vigorous health to the scalp, are innumerable.

Old people like it for its wonderful power to restore to their whitening locks their original color and beauty. Middle-aged people like it because it prevents them from getting bald, keeps dandruff away, and makes the hair grow thick and strong. Young ladies like it as a dressing because it gives the hair a beautiful glossy lustre, and enables them to dress it in whatever form they wish. Thus it is the favorite of all, and it has become so simply because it disapproves no one.
